

MONTAGU EVANS PRESENTS... OUR PROPERTY BOARDS

V2.0 MARCH 2021

LETTING AND SALES BOARDS

LETTING AND SALES BOARDS

Depending on your needs the following designs are available in both EPS and JPEG format.

When supplying a file to an external design agency or sign-maker please supply both the EPS and JPEG version of the file. This will help to make sure the design is printed at the best quality available.

LETTING AND SALES BOARD FOOTERS

There is no need for these to be recreated but can be adapted by keeping all the content centred both vertically and horizontally. If you need further guidance please contact Kellie Laing (kellie.laing@montagu-evans.co.uk) in the Marketing team.

LOCATIONS

We have designed the full set of boards for London, Edinburgh and Glasgow. If you need alternative office details please get in touch.

WHERE CAN I FIND THEM?

The artwork is available on our Intranet and the Montagu Evans website in the media centre.

NAMING CONVENTION

The naming convention is detailed under each of the signs as below with an added extension of '.eps' or '.jpg' to announce the format and the location name, changing respectively. For example: Letting boards – Address – Telephone – London.eps for the EPS version of the sign.
